

# Our vision is

to achieve equality,  
opportunity and  
wellbeing for every  
person in every  
community

# Rebooting the system

A person in a dark suit and tie is holding a glowing lightbulb with both hands. Inside the lightbulb, there are several small, warm-white LED lights connected by thin copper wires. The person's face is not visible, but their hands are positioned to cradle the lightbulb. The background is dark, and the overall lighting is dim, with the primary light source being the glowing lightbulb. A large orange curved line separates the image from the text on the right.

**Prevention  
is better  
than cure**

**Invest in  
communities  
not disasters**
