

PRIVACY NOTICE

The Department of Child Safety, Seniors and Disability Services (Child Safety) is collecting the personal information on this form for the purpose of assessing your application to become approved kinship carer/s. The collection of this information is authorised by the *Child Protection Act 1999* and the *Child Protection Regulation 2023*. Your personal information will be treated in accordance with the *Information Privacy Act 2009*.

Under the *Childrens Court Rules 2016* and the *Director of Child Protection Litigation Act 2016*, Child Safety is required to provide relevant information to the Director of Child Protection Litigation (DCPL) in relation to child protection proceedings, and the DCPL has a duty to disclose documents relevant to the proceeding to each other party. Therefore, any information provided to Child Safety that may be relevant to current or future court proceedings may be provided to the parties, including the parents. This may include applications for future child protection orders for children already in your care as an approved foster or kinship carer, such as long-term child protection orders.

A copy of this report will be provided to the carer applicant/s prior to finalising the approval process and information will be provided to the foster and kinship care service.

INTERVIEWS WITH THE CARER

ASSESSMENT DOMAINS

The information presented in this section should be a summary of your assessment based on all information gathered and should be brief (no more than a few paragraphs per topic). Where there are two carers, information on both carers should be provided under each domain heading.

The focus of the assessment is to provide:

- information about changes since the previous assessment, where applicable (a copy of the previous assessment is to be attached as supporting information)

examples of how the carer has:

- demonstrated their ability to meet the statement of standards
- provided for the safety, belonging and wellbeing of the children placed with them.
- Supporting evidence about the carer's suitability, provided by other persons or agencies, is also summarised and recorded under the relevant assessment domain.

All reports and interview questionnaires should be scanned and attached to ICMS and placed on the hard copy of the carer's file.

For more detail as to the information to be included under each of the domain headings below, refer to the 'Kinship carer renewal assessment report guidelines.'

(Note: The assessor is responsible for sharing observations and reflections with the carer during assessment interviews and giving them feedback about the conclusions being reached and incorporating relevant comments and feedback from the carer in the assessment report.)

1. Motivation to care for the children

Provide information about the carer's current motivation (reported and observed) to care for the children.

2. Relationship with the children

Provide information about the relationship between the carer and the children.

3. Relationship with the children's family, family dynamics and family contact

Provide information about the carer's ongoing relationship with, and expectations of, the parents and their ability to support family contact and relationships and manage family dynamics. Identify possible conflicts and stressors and include information about what supports may be required.

4. Family history

Explore whether significant aspects of the family's shared history (including the carer's childhood history) are influencing the care of the children and the placement.

5. Parenting style

Provide information about the carer's parenting style, including their compliance with the legal requirement under the *Child Protection Act 1999* that techniques for managing a child's behaviour must not include corporal punishment or punishment that humiliates, frightens or threatens a child.

6. Carers' spousal relationship

Explore the implications of the placement for the spousal relationship and provide information about identified strengths and any relationship difficulties or stressors since the previous assessment.

7. Understanding of, and attitude towards, the child protection issues and the need for the child to be placed in a care arrangement

Discuss and provide information about the carer's current understanding of how the experience of abuse and trauma has impacted, or is impacting, the children and their demonstrated ability and willingness to ensure the safety of the children since the previous assessment.

8. Carer's personal circumstances and ability to meet the specific needs of the children

Discuss and provide information about the carer's understanding of, and demonstrated capacity to meet, the specific needs of the children (including physical, emotional, developmental and cultural needs) since the previous assessment. Where applicable, include any change in personal circumstances (since the previous assessment) and whether the change has impacted on, or is likely to impact, the children and/or the care arrangement.

Explore any changes in the immunisation status of the carer and the children in their care – including their children.

If there has been a standard of care review or harm report since the previous assessment, provide the carer with an opportunity to discuss the process.

--

9. Provision of regulated care services from the home.

Provide details about other regulated care services you provide from your home eg. family day care or stand-alone services.

Please provide details of the possible impacts of the provision of this service on your ability to provide quality care to children placed with you.

--

10. Working with Child Safety

Explore and provide information about the carer's demonstrated attitude towards working with Child Safety since the previous assessment.

--

11. Managing change, stress and carer support

Discuss and document how the carer has managed changes, stress and carer support issues associated with their role as a kinship carer since the previous assessment. Consider the carer's current commitments, support systems and support needs and identify current support needs associated with the care arrangement.

(Note: Using an ecomap may assist the carer to consider and discuss these issues, particularly if an ecomap has not previously been developed with the carer)

<i>(Note: Attach the carer's ecomap, if applicable.)</i>

Resources required to support the care arrangement

List the resources required to support the appropriateness and ongoing stability of the care arrangement. *(Note: Pending the outcome of the application, this information will be further explored during the development of the Placement agreement between Child Safety and the carer).*

Children	
Carer	
Who will provide resources/supports	

12. Training and education

Explore and where applicable, provide information about relevant training completed since the previous assessment, or requested by, the carer, and/or information currently requested or required by the carer in order to effectively respond to the children's specific care needs.

--

OTHER ASSESSMENT INFORMATION

(Record any other information of relevance to the assessment of the carer, if applicable).

STATEMENT OF STANDARDS

(Provide the carer with the 'Interview resource: Statement of Standards' and discuss examples of how they have met the Statement of Standards for the children since the previous assessment).

Were appropriate strategies for meeting the Statement of Standards implemented by the carer?

Yes No

Comments

Were any challenges identified in relation to the carer's ability to fully meet the Statement of Standards?

If yes, document the identified issues and comment on whether additional supports and/or resources may assist in resolving or mitigating any identified challenges.

Yes No

CHANGE IN CARER CIRCUMSTANCES

*(Provide the carer with copies of the 'Change in carer circumstances – Form 39' and ensure that the carer understands their **ongoing** legal obligation to report the specified changes to Child Safety (as soon as possible), by completing and returning the form to the Child Safety Service Centre.)*

Discuss and document whether any of the specified changes have occurred since the previous assessment and if so, whether the change/s have been reported to the CSSC through the completion of the Form 39. Provide details of any change in carer circumstances since the previous assessment and the implications of the change, if applicable, for their role as a carer.

(Note: The carer must complete the Form 39, if applicable. It is not sufficient for the carer or the assessor to verbally inform the CSSC of the specified change/s. Additional information regarding changes in carer circumstances may also be recorded in the relevant assessment domain).

List any actions required by the assessor as a result of the change in carer circumstances, for example, new Household safety study or the completion of a Carer applicant health and wellbeing questionnaire.

REFEREE CHECKS *(if requested)*

Were discretionary referee checks requested?

If yes, record the concerns discussed with the applicant and the outcome of discussions.

Yes No

MEDICAL CHECKS *(if requested)*

Was a discretionary GP medical check requested?

Yes No

If yes, record the concerns discussed with the carer and the outcome of discussions.

(Note: Additional information may also be recorded in the relevant assessment domain.)

PART 3 – RECOMMENDATION AND RATIONALE *(To be completed by the assessor)*

ANALYSIS OF STRENGTHS AND SUPPORT NEEDS

What are the strengths/benefits of the care arrangement for the children?

(Note: Consider the carer's responses to the assessment domains in the context of their demonstrated ability to meet the Statement of standards since the previous assessment).

What are the vulnerabilities/risks of the care arrangement for the children?

(Note: Consider the carer's responses to the assessment domains in the context of their demonstrated ability to meet the Statement of standards since the previous assessment).

What support/s could be implemented to resolve or mitigate identified vulnerabilities or risks?

RECOMMENDATION AND REASONS

Are you satisfied that the applicant meets the below **legislative requirements for approval**:

Section 135(1)(b) of the *Child Protection Act 1999*

- i. the applicant is kin to the child to whom the approval relates; *and*
- ii. the applicant is a suitable person to be an approved kinship carer for the child; *and*
- iii. all members of the applicant's household are suitable persons to associate on a daily basis with the child; *and*
- iv. the applicant and each adult household member of the applicant's household hold a working with children authority; *and*
- v. the applicant is able to meet the standards of care in the statement of standards; *and*
- vi. the applicant is able to help in appropriate ways towards achieving plans for the child's protection.

and

Part 8 section 24 of the *Child Protection Regulation 2023*

- a) does not pose a risk to the child's safety; *and*
- b) is able and willing to protect the child from harm; *and*
- c) understands and is committed to the relevant principles; *and*
- d) has completed any training reasonably required by the chief executive to ensure the person is able to properly care for a child.

Yes No

Are you satisfied that the carer has met the following criteria for suitability/approval?

- 1. Ability to identify personal experiences, background, current family dynamics and lifestyle, and reflect on how these are relevant to caring for a child in care.
- 2. Ability to provide a safe and stable living environment that is free from harm or risk of harm.
- 3. Ability to provide a nurturing environment that contributes to a child's positive self-regard.
- 4. Ability to work as part of a team that includes the child, their family, Child Safety and other relevant service providers.

Yes No

Do you recommend the carer for approval?

*(Note: You must make reference to the carer's suitability to be approved as a kinship carer in accordance with section 135 of the *Child Protection Act 1999* and section 24 of the *Child Protection Regulation 2023*.)*

Yes No

Reasons for recommendation

Are conditions considered necessary for inclusion on the certificate of approval?

Yes No

Comments

(Note: Include rationale for proposed conditions, if 'yes' is selected.)
