Small Business Claimants (quarterly instalment)*		
Small Business Claimants in Embedded Networks (annual rebate)**		
TOTAL VALUE OF CLAIM		

* 'Small Business Claimants' are small business customers who consume less than 100MWh per annum (or prorate for billing period) with accounts existing on 01 July 2023 (or alternate Quarter 1 date), 01 October 2023, 01 January 2024 or 01 April 2024.

** 'Small Business Claimants in Embedded Networks' are claimants of the retailer's exempt seller customers claimed for via Form 533 that had an active electricity account on 01 July 2023.

Note: Forms for small business claimants must be **submitted by 31 December 2024** as the final cut-off date for the 2023-24 Queensland Government Energy Rebate for Small Businesses. Applications for embedded network claimants submitted after 31 December 2024 will be considered on a case by case basis.

I hereby certify that:

- The Queensland Government Energy Rebate for Small Businesses detailed on this claim is only for those consumers who have satisfied the eligibility criteria specified by the Queensland Government;
- The number provided at "Small Business Claimants in Embedded Networks" is the total of the figures provided by Embedded Network Operators that are customers of the Retailer;
- All reasonable efforts have been made to ensure no ineligible Small Business Claimants have been included in this claim;
- Customers will receive the full benefit of the rebate (i.e. not diminished by for example, GST calculations on the bill);
- For customers whose bills are in credit, application of the Rebate means that these customers will have the rebate payment carried over to their next bill, and any subsequent bills until they are no longer in credit; and
- This claim is a true and correct assessment of the total value of the Queensland Government Energy Rebate for Small Businesses credited against accounts issued by this Retailer for the period stated.
